5 GEORGE VI.

CHAPTER 1.

An Act respecting a certain Bond Mortgage made by
the Abitibi Power & Paper Company Limited
to the Montreal Trust Company.

*Assented to April 9th, 1941.
Session Prorogued April 9th, 1941.*

WHEREAS the Abitibi Power & Paper Company Limited, ^{Preamble.}
incorporated under the Dominion Companies Act,
owned and operated newsprint mills in the Provinces of
Ontario, Quebec and Manitoba;

And whereas by mortgage dated June 1st, 1928, the Abitibi
Power & Paper Company Limited mortgaged all its assets
and undertakings to secure an issue of First Mortgage Bonds
to the Montreal Trust Company, the trustees under the Bond
mortgage;

And whereas it appears that the said Company defaulted
in the payment of interest due on the said First Mortgage
Bonds on June 1st, 1932, and nothing has been paid since that
date, and action was taken in the courts in 1932 by the Mon-
treal Trust Company, the trustees under the bond mortgage,
to enforce its security; that since that time various proceedings
have been taken in the courts and on June the 10th, 1940, an
order was made directing the sale of all the undertakings,
property and assets of the said Abitibi Power & Paper Com-
pany Limited; that in pursuance of this order the undertakings,
property and assets of the said Company were offered for sale
by the Master of the Supreme Court of Ontario by public
auction but the sale proved abortive because the only bid
received was less than the amount of the reserve bid fixed by
the Master, that subsequently an application was made for
an order that the said property, assets and effects of the said
Company should be immediately sold without a reserve bid
being fixed, but the motion was adjourned *sine die* with
leave to bring it on on one week's notice;

And whereas during the court proceedings above referred
to the Government of Ontario in the year 1937 entered into
an agreement with the Montreal Trust Company, the trustees
under the bond mortgage, the Receiver and the Abitibi
Power & Paper Company Limited acting by its Liquidator,

which provided that the Government would renew certain pulpwood cutting agreements if the said Company became reorganized or rearranged or if its assets were sold to a new Company on a basis sanctioned by the Supreme Court and in any case on a basis satisfactory to the Government within one year from the date of the said agreement, or within such further time as the Government might consent; and whereas by Order of the Honourable the Lieutenant-Governor in Council dated March 9th, 1939, it was provided that if and when a reorganization or a rearrangement of the said Company was duly completed, or if and when a sale of the entire undertaking and assets of the said Company was duly approved or directed by the Supreme Court of Ontario and the sale duly completed that such reorganization, rearrangement or sale should be deemed a basis satisfactory to the Government; and whereas the said order-in-council of March 9th, 1939, was rescinded by order-in-council dated October 24th, 1940;

And whereas a Royal Commission was appointed by Order of the Honourable the Lieutenant-Governor in Council dated the 1st of November, 1940, comprising the Honourable Charles Patrick McTague, Justice of Appeal of the Supreme Court of Ontario, Albert Edward Dymont, Esquire, and Sir James Dunn, Baronet, "to enquire into the affairs and financial and corporate structure of the Abitibi Power & Paper Company Limited with a view to recommending an equitable plan for solving the financial difficulties of the Company so that the Company may be in a position to meet conditions, regulations and restrictions which the Lieutenant-Governor in Council may consider necessary upon the grant or renewal of the hereinbefore recited leases, licenses, water power rights, flooding rights, licenses of occupation and other rights, powers or privileges; and generally to make such recommendations in the premises as appear to be in the best interests of all parties concerned, including the Province of Ontario;" and whereas the said Royal Commission has reported to the Honourable the Lieutenant-Governor in Council *inter alia* that existing legislation relevant to the reorganization of companies is inadequate to meet the situations that arise when companies are in financial difficulties; that the said Company is dependent for its supply of pulpwood upon the Crown lands of the Province of Ontario; that it also requires large quantities of power in respect of which it is dependent upon leases from the Province of Ontario; that the assistance of the Government must be a largely contributing factor in the success of the enterprise and that the Government would be justified in trying to secure the carrying out of the purposes which led to the making of the various agreements and to protect the legitimate interests of persons who have contributed to or are bound up with the conduct of the enterprise; that whatever the potential value of the undertaking and

assets of the said Company may be, no price could be obtained for the undertakings and assets, under present conditions, which would begin to approach the amount of the outstanding bonds with interest thereon; that if the present rate of earnings maintains for some time to come, the shareholders may well have a substantial equity in the property;

And whereas it is deemed desirable to stay any action now pending or that may hereafter be taken under the provisions of the above mentioned Bond Mortgage for the sale of all the property and assets of the said Company situate in Ontario in order that an opportunity may be given to all parties concerned to consider the Plan submitted in the Report of the said Royal Commission.

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. In so far as any property, real or personal, in Ontario is concerned no further proceedings shall be taken or continued under a certain Order made in the Supreme Court of Ontario by the Honourable Mr. Justice Middleton on June 10th, 1940, directing the sale of all the undertaking, property and assets of Abitibi Power & Paper Company Limited under a certain Mortgage made by Abitibi Power & Paper Company Limited of the First Part to Montreal Trust Company as Trustee for the bond holders under the said Mortgage of the Second Part and the National City Bank of New York the authenticating Trustee of the Third Part dated the 1st day of June, 1928, and filed in the Department of the Provincial Secretary on the 14th day of August, 1928, and indexed in the Bills of Sale and Chattel Mortgage Register as Number M125. Motion stayed.

2. Excepting the operation of section 1 hereof without the consent in writing of the Attorney-General no new action shall be brought for the purpose of realizing on the security situate in the Province of Ontario under the said Mortgage and no further step shall be taken or order made in the action now pending in the Supreme Court of Ontario under the said Mortgage. No further action without consent of Attorney-General.

3. The Order-in-Council dated the 24th day of October, 1940, rescinding the Order-in-Council dated the 9th day of March, 1939, with respect to an agreement dated the 24th day of June, 1937, made between the Government of the First Part and the Hydro-Electric Power Commission of Ontario of the Second Part, the Montreal Trust Company, Trustees under the bond mortgage, and the Receiver of the Abitibi Power & Paper Company Limited, and the said Abitibi Power & Paper Company Limited acting by its Validating Order-in-Council.

Liquidator of the Third Part, is hereby declared to be valid and binding and effectually to rescind the said Order-in-Council dated the 9th day of March, 1939, notwithstanding any alleged lack of notice in writing or lack of sufficient notice in writing to the parties of the Third Part.

Of Act.

SCHEDULE

TO THE ALGOMA CENTRAL AND HUDSON BAY
RAILWAY COMPANY ACT, 1941.

THIS AGREEMENT made this 18th day of March, A.D. 1940.

BETWEEN:

HIS MAJESTY THE KING, in the right of the Province of Ontario as represented herein by the Honourable Mitchell Frederick Hepburn, Prime Minister, President of the Council and Treasurer, and the Honourable Peter Heenan, P.C., Minister of Lands and Forests, herein-after called "the Government",

OF THE FIRST PART;

—and—

THE ALGOMA CENTRAL AND HUDSON BAY RAILWAY COMPANY, a Company incorporated by Special Act of the Parliament of the Dominion of Canada, and having its head office in the City of Sault Ste. Marie, in the District of Algoma, in the Province of Ontario, hereinafter called "the Company",

OF THE SECOND PART.

WHEREAS the Company has constructed, owns and operates a Railway in the District of Algoma in the Province of Ontario;

AND WHEREAS certain lands were granted to the Company by the Crown in the right of the Province of Ontario under and by virtue of a certain Statute of the Legislature of the Province of Ontario, entitled *An Act respecting Aid by Land Grant to The Algoma Central Railway Company* being 63 Victoria, Chapter 30.

AND WHEREAS by Section 15 of the above Act it was provided that the provisions of an Act respecting the Taxation of Patented Lands in Algoma, Manitoulin, Thunder Bay and Rainy River, R.S.O. 1897, Chapter 26, should not apply to any portion of the lands to be granted to the Company, which last-mentioned Act and all amendments thereto were subsequently repealed by 7 Edward VII (1907), Chapter 9, Section 23;

AND WHEREAS certain other lands were granted to the Company by the Crown in the right of the Province of Ontario under and by virtue of certain Statutes of the Legislature of the Province of Ontario entitled (1) *An Act respecting Aid to Certain Railways*, being 62 Victoria (2), Chapter 23, and (2) *The Statute Law Amendment Act 1911*, being 1 George V, Chapter 17 (Section 18);

AND WHEREAS by virtue of *The Provincial Land Tax Act*, R.S.O. 1937, Chapter 30, as enacted by 14 Geo. V (1924), Chapter 13 the Crown in the right of the Province of Ontario has claimed the sum of \$805,682.24 from the Company for taxes, interest and penalties up to the end of the calendar year 1939, which amount remains unpaid and in respect of which the Company contends that it was assured at the time of its enactment that the said Act was not intended to apply to the lands of the Company and that the original exemption from land tax still prevailed.

AND WHEREAS the Company has paid under protest to the Treasurer of Ontario since 1910 over \$200,000.00 for timber dues on jackpine timber used for railway ties for which it has denied liability under the terms of the aforesaid Act providing for the said land grant.

AND WHEREAS by virtue of *The Corporations Tax Act* the Crown in the right of the Province of Ontario has claimed the sum of \$1,389,016.19 from the Company for mileage taxes, interest and penalties up to the end of the calendar year 1939, which amount remains unpaid and for which amount the Company contends it is not liable;

AND WHEREAS by virtue of *The Railway Fire Charge Act* the Crown in the right of the Province of Ontario has claimed from the Company

the sum of \$81,312.11 for charges, interest and penalties thereunder up to the end of the calendar year 1939, which amount remains unpaid and for which the Company contends it is not liable;

AND WHEREAS a settlement has this date been effected with respect to all outstanding claims of His Majesty the King in the right of the Province of Ontario against the Company in respect of taxes and other liabilities under the Statutes hereinbefore referred to up to the end of the calendar year 1939; and fixing the amount of taxes to be levied against the Company and its lands under the said Acts in 1940 and subsequent years, all as and for the considerations hereinafter set forth.

NOW THEREFORE THIS AGREEMENT WITNESSETH that the Parties hereto for the considerations hereinafter mentioned covenant and agree as follows:

1. In consideration of the sum of \$121,814.22 now paid to the Government, the receipt whereof is acknowledged, and of the transfer to His Majesty the King in the right of the Province of Ontario as represented by the Minister of Lands and Forests (hereinafter called "the Crown"), of the lands more specifically described in Schedule "A" hereto and mentioned in Clause 2 hereof, the Government has released and by these presents doth release the Company and/or its lands from all claims, liens or liability for charges, taxes, interest and penalties accruing against the Company and/or its lands under The Corporations Tax Act, The Provincial Land Tax Act and The Railway Fire Charge Act up to and including the 31st day of December, 1939.

2. The Company covenants that the lands situate in the Townships or part Townships listed in Schedule "A" hereto, comprising approximately 850,528 acres and to be transferred to the Crown, as provided in Clause 1 hereof, are free and clear of all liens, charges, encumbrances, rights or privileges, save and except those set out in Clause 4 hereof, and that such lands represent the acreage owned by the Company in the said Townships or part Townships after making the following deductions:

- (a) All existing rights-of-way, station grounds and land held or appropriated by the Company for railway-operating purposes prior to the date hereof; and,
- (b) All lands transferred in fee simple or under contract for sale as farming lands, or leased on long-term Mining Leases, or permitted by the Company to be staked as Mining Claims prior to the date hereof; and
- (c) All lands leased by the Company on long-term leases to Great Lakes Power Company, Limited, prior to the date hereof.

3. And the Company covenants and agrees that it will pay forthwith to the Treasurer of Ontario the cost of registering the conveyances or transfers to the Crown of the lands mentioned in Clause 2 hereof in the proper Registry or Land Titles Office.

4. It is understood and agreed that the lands to be transferred to the Crown as aforesaid are, and shall be, subject to the pulpwood cutting agreement dated 1st March, 1911, between the Company and Lake Superior Paper Company Limited, which was assigned by Lake Superior Paper Company Limited to Abitibi Power & Paper Company Limited by assignment dated 1st August, 1928, and every right, benefit and interest of the Company and Abitibi Power & Paper Company Limited respectively in or under said agreement is reserved to the Company and Abitibi Power & Paper Company Limited respectively, except those rights of the Company hereinafter specifically assigned and transferred to the Crown, and that irrespective of the aforesaid agreement, but subject to the rights heretofore held by the Company as against Abitibi Power & Paper Company Limited and hereinafter specifically assigned and transferred to the Crown, all spruce, balsam, hemlock, balm of Gilead and poplar trees now or hereafter on those of the said lands to which the aforesaid pulpwood cutting agreement applies, and the right to go upon the said lands for the purpose

of cutting and removing the same, are and shall be reserved to the Company, its successors and assigns until 2nd March, 2010.

The following rights reserved to the Company under said agreement:

(a) to cut and remove such of said pulpwoods as may be necessary in the prospecting for, development and operation of any and all mines, minerals and mining lands and any power developments on any of said lands; and

(b) to sell, lease or otherwise dispose of, free from any liens or claims whatever on the part of Lake Superior Paper Company Limited, its successors or assigns, any of such lands, to bona fide settlers; are hereby assigned and transferred to the Crown in respect of the lands to be conveyed by the Company to the Crown under Clause 2 hereof, but not in respect of the lands covered by the said agreement remaining in the ownership of the Company in respect of which last mentioned lands the said rights are retained by the Company.

5. That from and as of the first day of January, 1940, no portion of the fire charge as presently levied under The Railway Fire Charge Act shall be assessed against the interest of the Company in the lands granted as railway subsidy lands and retained by the Company.

6. That all lands owned by the Company at the date hereof shall be exempt from assessment and taxation under The Provincial Land Tax Act from and as of the first day of January, 1940, so long as they are retained by the Company, but except as provided in Clause 9 hereof, this exemption shall not apply to any rights of others now held or hereafter acquired.

7. The tax to be paid by the Company under The Corporations Tax Act and under The Corporations Tax Amendment Act, 1940, for the five years 1940 to 1944, both inclusive, is hereby fixed at \$6.25 per mile of line per annum.

8. The Company waives and renounces its claim to a refund of the dues on Jackpine used for railway purposes, paid by the Company to the Crown in the right of the Province of Ontario under protest and renounces its denial of liability therefor.

9. It is hereby declared that, except as otherwise herein specifically provided, the provisions of this agreement shall extend to and enure to the benefit of the Company and its successors and/or assigns as owners of the railway presently known as The Algoma Central and Hudson Bay Railway as an entirety or substantially as an entirety and to no other successors or assigns.

IN WITNESS WHEREOF the Parties hereto have executed this agreement.

SIGNED, SEALED AND DELIVERED

In the presence of

An Act respecting Relief to Municipalities regarding
Hydro-Electric Railways.*Assented to April 9th, 1941.**Session Prorogued April 9th, 1941.*

WHEREAS in response to demands for better transportation by means of electric radials, *The Hydro-Electric Railway Act, 1914*, and amendments thereto were enacted; and whereas pursuant thereto The Hydro-Electric Power Commission of Ontario as required by the Lieutenant-Governor in Council investigated and reported upon certain proposed electric radials which were to be supplied with power by the Commission; and whereas agreements authorized and approved by Order-in-Council were entered into between certain municipal corporations and the Commission for the construction and operation of two electric radials and each of the corporations deposited with the Commission, to the amount apportioned to it as its respective share of the cost of the work, its debentures to be held by the Commission as collateral security for an equal total amount of bonds of the Commission to be issued for the cost of the work and constituting a first charge on the assets of the radials and guaranteed by the Province; and whereas work was commenced and expenditures were incurred by the Commission for surveys, lands and materials; and whereas the Royal Commission appointed by the Lieutenant-Governor in Council in 1920 to investigate the economic situation and prospects in connection with the radials reported unfavourably in view of the development of other convenient means of transportation by highways; and whereas the Legislature enacted *The Municipal Electric Railway Act, 1922*, which repealed *The Hydro-Electric Railway Act, 1914*, and amendments and declared void and of no further effect the agreements between the municipal corporations and the Commission but provided for revival of such radials without guarantee by the Province but only after resubmission of the agreements to the electors of the corporations; and whereas the assent of the electors was not secured in a sufficient number of the corporations and the radials were not revived; and whereas the Judicial Committee of the Privy Council in the case of the corporation of the City of St. Catharines versus the Commission in effect decided that the corporations were liable for their respective shares of the liabilities incurred in

Preamble.

1914, c. 31.

1922, c. 63

Short title

SCHEDULE

THIS AGREEMENT made at Toronto this 31st day of July, 1939.

BETWEEN:

THE MUNICIPAL CORPORATION OF THE VILLAGE OF SWANSEA, in the County of York, in the Province of Ontario, hereinafter called the Municipality,

OF THE FIRST PART,

—and—

THE TORONTO LAND CORPORATION LIMITED and THE EXCELSIOR LAND COMPANY LIMITED, both of the Township of Etobicoke, in the County of York, hereinafter called the Companies,

OF THE SECOND PART.

WHEREAS the Companies being in arrears for taxes on lands in the Municipality which they are unable to pay at the present time, have applied to the Municipality and The Department of Municipal Affairs for consideration in the matter. And whereas The Department of Municipal Affairs after a full discussion between representatives of the Municipality, the Companies, and the Township of Etobicoke where the Companies also have large holdings of lands in arrears of taxes, has recommended and advised that the parties enter into this Agreement as being considered in the best interests of all parties concerned.

NOW THIS INDENTURE WITNESSETH that in consideration of these presents and the sum of one dollar, now paid by each of the parties to the other of them, (the receipt whereof is hereby by each of them acknowledged) the parties do agree as follows:

1. The Companies covenant and agree to pay to the Municipality (in addition to any sums heretofore paid by them in the year 1939):

- (a) The sum of One Hundred and Seventy-nine Dollars and Eighty-seven cents (\$179.87) being the costs of the Municipality in connection with an abandoned tax sale of the Companies' lands;
- (b) A sum of not less than Six Thousand Dollars (\$6,000.00) to be paid by six post-dated cheques in the sum of One Thousand Dollars (\$1,000.00) each, payable on the 1st days of the months of July, August, September, October, November and December in the year 1939;
- (c) During each year for the next five years thereafter to pay the current year's taxes on lands owned by them within the Municipality, together with an amount sufficient to pay not less than one-fifth of the total arrears as of the end of the year 1939 together with penalties, to the intent and purpose that all arrears owing by the Companies will be paid in full by the end of the year 1944.

2. In case of sale or other disposition of any of the several parcels or lots of land of the Companies or either of them upon which any of the

said arrears of taxes, penalties and interest are owing, the Companies may require that a sufficient amount of the moneys to be paid under the terms of paragraph 1 hereof be applied in satisfaction of the said arrears, penalties, and interest owing upon the parcel or lot sold or disposed of so that the Companies or any person claiming under them or either of them may obtain title to such lands, free of any lien on the part of the Municipality for arrears of taxes, penalties and interest.

3. Except as provided in paragraph 2 hereof, the Municipality may at its discretion apply the aforesaid payments made pursuant to paragraph 1 hereof or any of them or any part thereof in or towards the satisfaction of the said arrears of taxes owing upon any of the several parcels or lots of land of the Companies.

4. The Municipality covenants and agrees that until default by the Companies under this Agreement is made and then not until it has given both the Companies and The Department of Municipal Affairs at least one month's notice in writing, it will not place the said lands in the lists for sale for arrears of taxes nor issue any writ or other process against the said Companies or either of them or their property in respect to the matters herein involved.

5. This Agreement is entered into by the Municipality on the clear understanding and the undertaking that The Department of Municipal Affairs will secure validation of this agreement and of all the Municipality's acts in respect hereto, and that neither this Agreement nor anything done by the Municipality in respect thereto shall be deemed to deprive the Municipality of any of its powers or rights under The Assessment Act in case of any default by the Companies hereunder. Provided, however, that this agreement shall be valid and binding in so far as the law allows until the end of the next regular session of the Legislature of Ontario, in any event.

6. Any actions or dealings of the Companies which may reasonably be interpreted by the Municipality and The Department of Municipal Affairs as an effort by the Companies to gain an advantage over the Municipality and to jeopardize the interests of the Municipality shall be taken to be a default by the Companies under this Agreement.

7. Action on any default shall be at the option of the Municipality and no neglect by the Municipality to act on the occurrence of any default shall affect the right of the Municipality to act on a subsequent default.

8. In view of the withdrawal by the Municipality, at the request of the Companies and The Department of Municipal Affairs, of the Companies' lands from the tax sale held by the Municipality on the 10th day of May, 1939, and from the adjourned tax sale held by the Municipality on the 2nd day of June, 1939, this Agreement is to be retroactive and shall take effect as and from the 1st day of May, 1939.

9. This Agreement shall enure to the benefit of and be binding upon the parties hereto, their successors and assigns; provided that it shall not extend to purchasers of land from the Companies, but in the event of any of such purchasers paying taxes or arrears of taxes to be paid by the Companies under paragraph 1 hereof on any lot or parcel of land so purchased, payments made by such purchasers shall be counted as part of the sums to be paid by the Companies hereunder.

IN WITNESS WHEREOF the parties have hereunto affixed their corporate seals.
